INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In conjunction with the new Patent Application filed herewith, attached for the Examiner's information and consideration are copies of the cited documents and form PTO-1449 Modified listing the documents.

The degrees of relevancy and particular passages are cited for the documents in the search report. Any markings, underlines, notations or the like present in any reference are not to be construed as drawing the Examiner's attention to or away from other parts or portions of the reference.

RECEIVED
JUL 31 2000
TECH CENTER 1600 MAIL ROOM

Applicant hereby expressly reserves the right to swear behind the effective dates of any of the references. Applicant further reserves the right to question the relevance and materiality of the references in whole, in part or in combination subsequent to the filing of this statement.

This Information Disclosure Statement is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under Rule 97(f), to enable Applicant to comply fully.

Consideration of the foregoing and enclosures plus the return of a copy of the herewith form PTO-1449 with the Examiner's initials in the left column per MPEP 609 after the Examiner has fully considered each reference are earnestly solicited.

Respectfully submitted,

Wayne O. Stacy
